ACTIVITY 1
To draw the following figures on a dot paper:
(i) a hut (ii) a joker (iii) a flower

Learning Objective : To handle ruler and pencil and to identify straight lines, curves and closed figures.

Pre-requisite : Knowledge of horizontal, vertical and slanting lines and familiarity with dot papers.

Materials required : A dot Paper, a pencil, an eraser and a ruler

Procedure : (i) Drawing a hut

Step 1. Mark or identify a dot in the dot paper.

Step 2. Starting from this dot as first, using pencil and ruler, draw a horizontal line upto the sixth dot towards right. [Fig. 1(a)].

Step 3. From both ends of this line, draw vertical lines downward covering 4 dots [Fig. 1(b)].

Step 4. Using a ruler join the lower ends of the vertical lines to get a four-sided closed figure [Fig. 1(c)].

Step 5. Proceed further to complete the figure of a hut by drawing horizontal, vertical and slanting lines.

Repeat above steps to draw
(i) A joker (ii) a flower

Observations : Observe each of the figures and note down

(i) Number of horizontal lines =

(ii) Number of vertical lines =

(iii) Number of slanting lines =

(iv) Number of curved lines =

(v) Number of triangles =

(vi) Number of rectangles =

(vii) Number of squares =
